Best Windows and Doors Inc. does not knowingly collect information from children under the age of 13 and Best Windows and Doors Inc. does not target its websites to children under 13.

4. How we use your information

Best Windows and Doors Inc. uses your personal information to provide you with services and to help us better understand your needs and interests. Specifically, we use your information to help you complete a transaction or order, to communicate with you, to provide service and support, to update you on services and benefits, to personalize promotional offers and to personalize some Best Windows and Doors Inc. websites. Occasionally we may also use your information to contact you for market research regarding Best Windows and Doors Inc. products or services. We will give you the opportunity to choose your privacy preferences regarding such communications. You may, at any point, contact us to request an opt-on on future communication. Credit card information is used only for payment processing and fraud prevention. This information is not used for any other purpose by our financial services providers or Best Windows and Doors Inc. and will not be kept longer than necessary for providing the services, unless you ask us to retain your credit card information for future purchases.

Personal data collected online may also be combined with information you provide Best Windows and Doors Inc. through other sources such as product registration, call centers or public events such as trade shows or seminars.

Personal data given to Best Windows and Doors Inc. may be transferred across state, provincial and/or country borders for the purposes of data consolidation, storage and simplified customer information management.

Non-personal data is aggregated for reporting about Best Windows and Doors Inc. website usability, performance and effectiveness. It is used to improve the customer experience, usability and site content.

5. Who we share your information with

Best Windows and Doors Inc. will not sell, rent or lease your personal information to others. Best Windows and Doors Inc. will not share your personal information with third parties except in responding to your requests for products or services. Your permission will be requested when you submit your information. Best Windows and Doors Inc. shares customer information across Best Windows and Doors Inc.-owned business entities and companies working on our behalf, but only as required to meet your product or service requirements.

Best Windows and Doors Inc. occasionally may contract with third-party service providers and suppliers to deliver complete products, services and customer solutions. Suppliers and service providers are required to keep confidential the information received on behalf of Best Windows and Doors Inc. and may not use it for any purpose other than to carry out the services they are performing for Best Windows and Doors Inc. These service providers may change or we may contract with additional service providers to better accommodate our customers. Best Windows and Doors Inc. will not share personal information with any other third parties without your permission, unless required by law enforcement action, subpoena, or local law.

Best Windows and Doors Inc. or its related entities could merge with or be acquired by another business entity or some or all of their respective assets could be acquired. If such a combination or acquisition occurs, Best Windows and Doors Inc. will make every reasonable effort to notify you in the event we share with the merging or acquiring entity some or all of your personal information to continue serving you.

6. Your Choices

Best Windows and Doors Privacy Policy

Best Windows and Doors Inc. gives you the choice of receiving a variety of information that complements our products and services. You can subscribe to receive certain product- and service-specific information and Best Windows and Doors Inc.-wide marketing communications. Best Windows and Doors Inc.-wide communications may include new product information, special offers, or an invitation to participate in market research. We give you a choice regarding delivery of Best Windows and Doors Inc.-wide communications by postal mail, e-mail and telephone. You can make or change your choices at the data collection point. We will make every effort to honour your preferences. This option does not apply to communications for the purpose of administering order completion, contracts, support, product safety warnings or driver updates.

7. Your information and third-party companies

Certain Best Windows and Doors Inc. services are linked with those from unrelated third-party companies, some which offer you the option to share with both Best Windows and Doors Inc. and the third party personal data you provide. We will not share your personal information with those third-party companies unless you make that choice.

8. Access to and accuracy of your information

Best Windows and Doors Inc. strives to keep your personal information accurate. We have implemented technology, management processes and policies to maintain customer data accuracy. We will provide you with access to your information, including making reasonable effort to provide you with online access and the opportunity to change your information. To protect your privacy and security, we will also take reasonable steps to verify your identity, such as a password and user ID, before granting access to your data. Certain areas of Best Windows and Doors Inc.'s websites may limit access to specific individuals through the use of passwords and other personal identifiers.

9. Keeping your information secure

Best Windows and Doors Inc. is committed to protecting the information you provide us. To prevent unauthorized access or disclosure, to maintain data accuracy, and to ensure the appropriate use of the information, Best Windows and Doors Inc. has in place appropriate physical and managerial procedures to safeguard the information we collect.

We use Secure Sockets Layer (SSL) encryption when collecting or transferring sensitive data such as credit card information. SSL encryption is designed to make the information unreadable by anyone but us. This security measure is working when you see either the symbol of an unbroken key or closed lock (depending on your browser) on the bottom of your browser window.

Credit card numbers are used only for processing payment and are not used for other purposes. As part of real-time payment processing, Best Windows and Doors Inc. subscribes to a fraud management service. This service gives you and Best Windows and Doors Inc. an extra level of security to guard against credit card fraud to protect your financial data.
